

REQUEST TO ADD AN "AUTHORIZED" PERSON TO YOUR ACCOUNT

PLEASE READ CAREFULLY

If you would like Millry Communications to be able to discuss your telephone bill, including your call record detail, with someone other than yourself, you will need to add that person to your account as an "authorized person". The person you add to your account will have the same privileges that you do in accessing your account information (including call record detail), ordering services and requesting changes to your service.

If you wish to add an authorized person to your account, please complete this form and return it to our business office. You may return the form by mail to: Millry Communications PO Box 45 Millry, AL 36558, or you may fax the form to us toll free at 1-877-275-5144, or return the form in person at our business office.
