	(4) Submitted using electronic methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 0.63

* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service. In those instances where the IC both requests the PIC change, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change.

17.4.4 Miscellaneous Services (Cont'd)

		Nonrecurring Charge
(I)	Presubscribed Interexchange Carrier (PIC) Change Charge *	
	Per Telephone Company Exchange Service Line or Trunk for each InterLATA PIC change:	
	(1) Submitted using manual methods	$ 5.50
	(2) Submitted using electronic methods	$ 1.25
	(3) Submitted using manual methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 2.75
	(4) Submitted using electronic methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 0.63

* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service. In those instances where the IC both requests the PIC change, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change.

In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change.

17.4.4 Miscellaneous Services (Cont'd)

		Nonrecurring Charge
(I)	Presubscribed Interexchange Carrier (PIC) Change Charge *	
	Per Telephone Company Exchange Service Line or Trunk for each InterLATA PIC change:	
	(1) Submitted using manual methods	$ 5.50
	(2) Submitted using electronic methods	$ 1.25
	(3) Submitted using manual methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 2.75
	(4) Submitted using electronic methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 0.63

* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service. In those instances where the IC both requests the PIC change, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change.

17.4 Other Services (Cont'd)

17.4.4 Miscellaneous Services (Cont'd)

		Nonrecurring Charge
(I)	Presubscribed Interexchange Carrier (PIC) Change Charge *	
	Per Telephone Company Exchange Service Line or Trunk for each InterLATA PIC change:	
	(1) Submitted using manual methods	$ 5.50
	(2) Submitted using electronic methods	$ 1.25
	(3) Submitted using manual methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 2.75
	(4) Submitted using electronic methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 0.63

* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service. In those instances where the IC both requests the PIC change, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change.

		Nonrecurring Charge
(I)	Presubscribed Interexchange Carrier (PIC) Change Charge *	
	Per Telephone Company Exchange Service Line or Trunk for each InterLATA PIC change:	
	(1) Submitted using manual methods	$ 5.50
	(2) Submitted using electronic methods	$ 1.25
	(3) Submitted using manual methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 2.75
	(4) Submitted using electronic methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 0.63

* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service. In those instances where the IC both requests the PIC change, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change. 17.4 Other Services (Cont'd)

17.4.4 Miscellaneous Services (Cont'd)

		Nonrecurring Charge
(I)	Presubscribed Interexchange Carrier (PIC) Change Charge *	
	Per Telephone Company Exchange Service Line or Trunk for each InterLATA PIC change:	
	(1) Submitted using manual methods	$ 5.50
	(2) Submitted using electronic methods	$ 1.25
	(3) Submitted using manual methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 2.75
	(4) Submitted using electronic methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 0.63

* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service. In those instances where the IC both requests the PIC change, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change. 17.4.4 Miscellaneous Services (Cont'd)

		Nonrecurring Charge
(I)	Presubscribed Interexchange Carrier (PIC) Change Charge *	
	Per Telephone Company Exchange Service Line or Trunk for each InterLATA PIC change:	
	(1) Submitted using manual methods	$ 5.50
	(2) Submitted using electronic methods	$ 1.25
	(3) Submitted using manual methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 2.75
	(4) Submitted using electronic methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 0.63

* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service. In those instances where the IC both requests the PIC change, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change. 17.4.4 Miscellaneous Services (Cont'd)

		Nonrecurring Charge
(I)	Presubscribed Interexchange Carrier (PIC) Change Charge *	
	Per Telephone Company Exchange Service Line or Trunk for each InterLATA PIC change:	
	(1) Submitted using manual methods	$ 5.50
	(2) Submitted using electronic methods	$ 1.25
	(3) Submitted using manual methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 2.75
	(4) Submitted using electronic methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 0.63

* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service. In those instances where the IC both requests the PIC change, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change. 		Nonrecurring Charge
(I)	Presubscribed Interexchange Carrier (PIC) Change Charge *	
	Per Telephone Company Exchange Service Line or Trunk for each InterLATA PIC change:	
	(1) Submitted using manual methods	$ 5.50
	(2) Submitted using electronic methods	$ 1.25
	(3) Submitted using manual methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 2.75
	(4) Submitted using electronic methods when both the interLATA PIC and intraLATA PIC selections are changed simultaneously	$ 0.63

* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service. In those instances where the IC both requests the PIC change, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event the subscriber is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Telephone Company will credit the subscriber's account for the PIC Change Charge associated with the alleged unauthorized change, if such charged was billed to the subscriber. The Telephone Company will then bill the IC responsible for the alleged unauthorized change, a PIC Change Charge to return the subscriber to its previous authorized carrier, and, if intially billed to the subscriber, the PIC Change Charge for the alleged unauthorized change. 17.4.6 Special Facilities Routing of Access Services

Regulations concerning Special Facilities Routing of Access Services are set forth in Section 11, preceding.

(A) Diversity

For each service provided in accordance with Section 11.1.1, preceding, the rates and charges will be developed on an Individual Case Basis (ICB).

(B) Avoidance

For each service provided in accordance with Section 11.1.2, preceding, the rates and charges will be developed on an Individual Case Basis (ICB).

(C) Diversity and Avoidance Continued

For each combined service provided in accordance with Sections 11.1.1 and 11.1.2, preceding, the rates and charges will be developed on an Individual Case Basis (ICB).

(D) Cable-Only Facilities

For each service provided in accordance with Section 11.1.4, preceding, the rates and charges will be developed on an Individual Case Basis (ICB).

17.4.7 Specialized Service or Arrangements

Regulations concerning Specialized Service or Arrangements are set forth in Section 12, preceding.

Specialized Service or Arrangements are provided on an Individual Case Basis (ICB). (N)

17.5 Public Packet Data Network Service

The Issuing Carrier elected incentive regulation for its Business Data Services pursuant to the Rate-of-Return Business Data Services Order (FCC 18-146). Effective July 1, 2023, the Issuing Carrier has chosen to detariff packet-based and higher capacity TDM services and offer on a non-tariffed basis.
